Showcase Your Innovations at Congress

ACHE's Congress on Healthcare Leadership gives you two exciting opportunities to share your innovations, network with other innovators and discuss pressing issues in healthcare with other leaders seeking similar solutions. You can apply to participate in the Management Innovations Poster Session and/or the Technology Innovations Session.

The 35th Annual Management Innovations Poster Session is a unique opportunity for you to share the innovative work being done at your organization that might be helpful to others, including innovations to improve quality or efficiency, enhance patient or physician satisfaction, implement EHRs, use new technology and similar topics.

Innovations that apply technological or digital solutions (e.g., apps, software, automated texts, etc.) to meaningfully improve the efficiency of an organization or the effectiveness and/or access of care delivered can also be submitted for **ACHE's first ever Technology Innovations Session**.

Applications for both the Management Innovations Poster Session and the new Technology Innovations Session are due Jan 10. To learn more about application requirements and selection criteria, visit congress.ache.org/your-congress-experience/showcase-innovations/.
